**LHS Lil Cheer Camp:** August 2nd-5th. **COST: \$40** 6-8pm LHS Main Gym

This event is very important for our cheerleaders to attend. We will be learning material that will be performed at the annual Youth Night. Cheers, chants, dances, fight song, motions, jumps are just some of the fun things the HS cheerleaders will be teaching our lil's.

**Practice:** Typically starts the week after Lil Cheer Camp. Your head coach will communicate this. 1-2 practices a week for 1-1.5 hours. Usually drops down to 1 practice a week once school starts or once most of the material is learned needed for the season, this will vary per squad. **Team Fees: \$50-\$75 ish.** This cost is dependent upon squad size and is used for Homecoming, Youth Night, football gifts, team shirts, etc.

**Games:** Start mid August and mostly on Saturdays, with an occasional Sunday here and there. K/1 starts in the morning around 9-10am and goes from there by grade every hour & a half. Cheerleaders cheer rain or shine, all decisions made by head coach on cancellations.

**Volunteer Obligations:** Parents of participating athletes MUST sign up for 2 concession duties per season for home games. Home games is where our program makes money but we need parents to help with working gate entry, concessions, etc.

This is most of the important information in a nut shell, but everything will be communicated by me to the head coaches of each squad. Any questions please don't hesitate to reach out: [lyfcheerat@yahoo.com](mailto:lyfcheerat@yahoo.com)

Thanks,
